Roku Instructions

Holy Mass from Saint Isidore Church can be livestreamed using the Roku platform.

What you will need:

- • a Roku compatible TV or a Roku device
- • Stable wired or wireless internet connected to your TV

Follow the steps below

1. Press the **Home** button on your Roku remote.
2. Scroll to select **Streaming Channels** to open the Channel Store.
3. Scroll down to select **Search Channels** and enter the keyword BoxCast.
4. Select the BoxCast channel from the search box and, press the **OK** button on your remote to open the details.
5. Select **Add Channel** to install the channel on your Roku device.
6. Once the channel has been installed, open the BoxCast channel
7. Search for “Saint Isidore”, then scroll down to select the Saint Isidore Church- Quakertown Channel.
8. Add to favorites, this will keep the channel easy to access.

Watching Mass Live

Open the BoxCast Roku channel during our regularly scheduled Mass time and then select the live broadcast.

Watching Past Recordings

Open the BoxCast Roku channel at any time and scroll down to select a previous Mass recording. One year of past Masses are available on BoxCast.

The Roku logo is displayed in a bold, purple, sans-serif font. To the right of the logo is a faint, light gray outline of a Roku remote control, showing the top half with the directional pad and the bottom half with the three touch-sensitive buttons.

FireTV Instructions

Holy Mass from Saint Isidore Church can be livestreamed using the Roku platform. What you will need:

- • a FireTV or a FireTV Stick
- • Stable wired or wireless internet connected to your TV

Follow the steps below

1. Navigate to the home screen of your Fire TV Stick, or any other Fire TV device.
2. Press left on the directional pad to enter the search section.
3. Use the directional pad to type “BoxCast” and then select it from the list.
4. Highlight the Boxcast app, and press the button in the center of the directional keypad to select it.
5. Select **GET**, then press the button in the center of the directional keypad to download the app.
6. Wait for the app to download and then launch it, or return to the Apps section later to use it whenever you want.
7. Search for “Saint Isidore” to find the channel.
8. Add to favorites, this will keep the channel easy to access.
